

Tim Hendriks

CO-FOUNDER HUURDIRECT · INTERNATIONAL BUSINESS STUDENT

Profile WHO I AM

Entrepreneurial International Business student and co-founder of **HuurDirect**, an online rental platform for professional tools, machinery and equipment. I helped build the platform from scratch: proposition, brand, website, rental process and customer service. With experience in sales, logistics and international trade I switch quickly between roles. I work in a structured way, set high quality standards and use automation and AI tools to work smarter.
